### G.Y.M CAMP FOR BOYS

#### **A Camp that Helps Boys become Godly Young Men**

John Wayne once said you've got to be a man before you can be a gentleman. There was a day this was obvious. Not anymore.

Our first G.Y.M Camp (Godly Young Men) for boys begins in just a week and a half. We plan to have nearly 40 boys from the city and the village. Pray the preaching and lessons in manliness will hit the target.

#### **Why GYM Camp**

When former US president Teddy Roosevelt was young, he was a Sunday School teacher. One day a boy came to church with a black eye. He said a bigger boy had been hurting his sister, so he fought him. Roosevelt said the boy had done right and he gave him a dollar. But the church never allowed Roosevelt to teach again. Shame on that church.

Perhaps more than ever before, boys in today's culture need to be *taught* how to be men, as our modern world is untrained and unaware of the glorious differences between boys and girls.

Boys need to learn how to skin their knee and rub some dirt on it, how to drive a nail, and do a pushup. How to scale a cliff and weld a joint. How

to tell a joke and lead with humility. How to choose a wife and pray for souls.

They need godly male examples with steel in their spines, love in their hearts and cuts on their hands.

They need to know about heroes of the faith, like the contra mundum of Athanasius, the courage of John Knox, the sons of Heinrich Bullinger and the "play the man" of Hugh Latimer.

#### **Pray for Gym Camp**

Watch the [promo video](#) for the camp. Then pray for no rain, teachable hearts, and a great time of manly instruction.

#### **Prayer for my Mama**

Just last week my mother was struck with Covid. Now she's hanging on for dear life in a Wisconsin hospital. Our family is devastated. Humanly speaking, she is the center star in our universe.

We are praying night and day for a miracle. I most likely will be flying back home later this week. All of my church, school and camp duties will fall onto others. We need prayer for that as well.
