HOW TO PRAY FOR PROSPERITY CHURCHES

Pray for the Tsongas | Part 2 ([Video](#))

You would think the COVID pandemic provided the perfect playground for Prosperity Churches to demonstrate their supernatural gift of healing. Who needs vaccines when there are sermons of Victory? Who needs hospitals when healing is a prayer away? Toss your mask and expect a miracle, right?

In fact, the majority of the Prosperity Elite have cancelled their services during COVID, demonstrating God's sense of humor and Prosperity's awful lies.

THE GREATEST DANGER TO TSONGA SOULS

What is the greatest false teaching Tsongas face today? It is not Islam, which denies that Jesus was the perfect substitute for sinners on the cross.

It is not Roman Catholicism, which denies *sola fide*, salvation by faith alone in Christ.

It is not the Jehovah's Witnesses, which denies that Jesus is God in the flesh.

It is not even African traditional religion, which denies that unbiblical cultural practices or prayers to ancestors should be abandoned.

Though all of these ecclesiastical lies affect the Tsonga people, they do not present the greatest danger.

Rather, the most significant false teaching that Tsongas face today is the **Prosperity Gospel**, which denies that true followers of Christ are called to a life of suffering and persecution.

The African landscape is filled with posters of so called apostles and prophets promoting health and financial success. Around every corner and in nearly every denomination preachers peddle witchcraft which is dressed up in church clothing.

They say: "Do you want power? Do you want a new job or fancy car? Do you want a miracle? Do you want physical healing? Come to Jesus and you'll get it!" By the millions, men and women, young and old, have climbed on board the Prosperity wagon.

Their message says nothing of sin, nothing of judgment, nothing of hell, and worst of all, nothing of Christ, except as a some kind of cosmic slot machine that gives them the desires of their fallen hearts.

Paul said: "Through many tribulations we must enter the kingdom of God" (Ac. 14:22). Jesus said it wouldn't be easy to follow him: "Any one of you who does not renounce all that he has cannot be my disciple" (Lk. 14:22).

HOW TO PRAY

Pray for the Tsongas, that God would not only dispel the heretical message of the prosperity Gospel, but also raise up godly pastors and biblically-saturated churches to counter-attack these false teaching and promote the life-giving message of the Lord Jesus Christ.
